The following is an examiner's statement of reasons for allowance:

Methods and systems for animating with proxy surfaces comprising forming a proxy surface for each of the parts corresponding to an initial viewing direction, and obtaining a set of view textures for each of the proxy surfaces. Each part proxy surface is then rendered at a new viewing direction. The new viewing direction is function of an object transformation, part transformation, and an initial viewing direction. The object is then animated by repeating the rendering steps.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Phu K. Nguyen whose telephone number is (571) 272 7645. The examiner can normally be reached on M-F 8:00-4:30.
